M38e Specialty Cart

Registration Workstation

CAPSAHEALTHCARE

Key Features

- Large work surface with rear utility bins and expandable surface feature
- Configurable to meet patient registration workflow needs
- Choose from manual or electronic height adjustment
- Slim profile for tight care settings and ease of mobility

Storage

Flexibility to configure with storage drawers or bins

Scanner Shelf

Optional pull out shelf accommodates document scanners

Work Surface

Extends for additional work space

The M38e Registration cart is a flexible, mobile workstation that enables you to move easily from one patient room to another. The M38e features a large work surface, with a slide out extension for additional work space. Multiple drawer and bin options provide ample storage and smart organisation of supplies. Choose from an array of accessories to best accommodate your choice of printers, scanners and electronic signature pads.
