ULTRA-LEAN DOCUMENTATION CARTS FIT
YOUR PEOPLE, WORKFLOWS AND ENVIRONMENTS

CAREFIT™

Short, tall or average clinicians can now work comfortably and effectively—no matter what their stature. Help all of your caregivers thrive with an expansive vertical range that easily adjusts to the ergonomic needs of the broadest range of users. The lightweight design makes it easy to move wherever your work takes you around the healthcare facility.

The slim depth and small footprint makes this a versatile point-of-care solution for a patient's bedside, in a hallway or any other area. When not in use, it fits tightly against a wall to free up valuable space. Multiple cart variations provide unique options and features to accommodate your EMR technology with the same level of mobility and flexibility that supports the best patient care.
