WHERE PRODUCTIVITY MEETS STYLE: POINT-OF-NEED CARTS FOR LAPTOP, TABLET AND MICROSOFT® SURFACE™ DEVICES

STYLEVIEW™

StyleView 10 (SV10) carts let caregivers easily move their mobile devices to the point of need. Super petite, lightweight and agile, SV10 carts glide effortlessly across various flooring types and fit nicely into small work areas, like exam rooms and offices.

Designed with ergonomics in mind, carts offer 38 cm of effortless vertical height adjustment so users can choose to sit or stand as they work. Keyboards and displays can be properly positioned for comfortable data entry and screen viewing.

Accessories can easily be added to further enhance functionality and productivity.

All SV10 carts include an integrated scanner holder

Integrated hand-brake secures platform height to provide an ultra-stable worksurface

T-slot channel interface on the column allows you to add accessories to your SV10 Cart, such as a Sani-Wipes Holder (97-828) or Storage Bin (97-926-064)

SV10 Cart Differentiators

Laptop SV10-1100-0

A bracket holds the laptop in place; inconspicuous design allows easy tilting of the screen without any occlusion of keys or views

Tablet SV10-1400-0

Install tablet in landscape or portrait mode

Tilt the tablet to a preferred input position— work with screen angled vertically, horizontally or anywhere in betweenWorksurface provides a convenient platform for a keyboard

Surface SV10-1800-0

Special design of worksurface uses embedded magnets for click-in stability of Surface tablet

Place the Surface in three possible positions: left, right or center

Spacious worksurface holds any Surfacetablet with extra area for a mouse or other task-related items

With 38 cm of height adjustability, our patented lift engine technology lets users easily adjust their platform and device to the right ergonomic height, whether they are sitting or standing.

The option to sit and stand throughout the day offers a much healthier way to work!
